

The Britain - Nepal Society
Promoting friendship between the peoples of the United Kingdom and Nepal

The Britain - Nepal Society was founded in 1960 to promote good relations between the peoples of the UK and Nepal. We specially wish to foster friendships between UK citizens with a particular interest in Nepal and Nepalese citizens resident - whether permanently or temporarily - in this country. A very much valued feature of the Society is the ease and conviviality with which members of every background and all ages mingle together. Members are drawn from all walks of life including mountaineers, travellers, students, teachers, returned volunteers, aid workers, doctors, business people and members of the Diplomatic Service.

As a member of the Britain - Nepal Society you will receive a copy of the Society's annual journal and invitations to our London based Society events, including: the Annual Nepali Supper evening, the Annual General Meeting, an engaging talk and supper programme, and the summer excursion.
